## Project 251

### A means to help feed those in need

Hi

My name is \_\_\_\_\_ and I'm with Boy Scout Unit

\_\_\_\_\_. As a Scout, I am committed to the service of helping others. Local food pantries have a need for non-perishable food items every day of the year, but most donations only occur during the Thanksgiving to Christmas season and they run short the rest of the year. Project 251 is a partnership where each scout is looking to collect at least 2 cans of food from 5 partners (neighbors, friends or family), **once a month** for the next year (251). Scouts with their partners will have the opportunity to contribute at least 120 cans of food for those in need. At first glance, that may not seem like a lot but with over 3,000 scouts in the area, we have the opportunity to make a huge difference, and it only takes me coming to see you once a month for a couple cans. I hope you will partner with me for this worthy cause. I would like to do my first pickup on \_\_\_\_\_ at which time we can discuss future pickup times. I hope you will join me on this journey to help others.

Thanks for your support.
