

FAMILY ENROLLMENT PLEDGE FORM

Each year, the Northeast Georgia Council, Boy Scouts of America, must raise approximately \$150.00 per Scout to provide a quality Scouting program. United Way funding accounts for less than 10% of our Council's needs, therefore additional funds are needed from interested friends of Scouting.

Your son's membership fee supports the National operations of the BSA. A pack or troop's fund raising efforts support that particular unit. If you can help the council meet its costs for one or more boys to be Scouts, please complete the form below and turn it in now. Please complete the form even if you do not plan to contribute. A committee has been recruited to call parents for whom we do not have a form.

Your support is needed and will be appreciated. The council provides the support (training, recruiting, camps, camperships for underprivileged youth, etc.) to make it possible for over 25,000 youth to be Scouts in Northeast Georgia.

While not a legal obligation, this is your personal commitment.
